To provide enhanced authority for the President to enter into agreements with the Government of Ukraine to lend or lease defense articles to that Government to protect civilian populations in Ukraine from Russian military invasion, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

FEBRUARY 18, 2022

Mr. WILSON of South Carolina (for himself and Mr. COHEN) introduced the following bill; which was referred to the Committee on Foreign Affairs

A BILL

To provide enhanced authority for the President to enter into agreements with the Government of Ukraine to lend or lease defense articles to that Government to protect civilian populations in Ukraine from Russian military invasion, and for other purposes.

3 efforts of the United States and other friendly coun-
4 tries to promote peace and security continue to re-
5 quire measures of support based upon the principle
6 of effective self-help and mutual aid”;

7 (2) its recognition under that section that “the
8 peace of the world and the security of the United
9 States are endangered so long as hostile countries
10 continue by threat of military action, by the use of
11 economic pressure, and by internal subversion, or
12 other means to attempt to bring under their domina-
13 tion peoples now free and independent and continue
14 to deny the rights of freedom and self-government to
15 peoples and countries once free but now subject to
16 such domination”; and

17 (3) its intention under that section “to promote
18 the peace of the world and the foreign policy, secu-
19 rity, and general welfare of the United States by fos-
20 tering an improved climate of political independence
21 and individual liberty, [and] improving the ability of
